RE: Start of Crushing Operations - Boscawen Sand & Gravel - 2021

Dear Mr. Hardy:

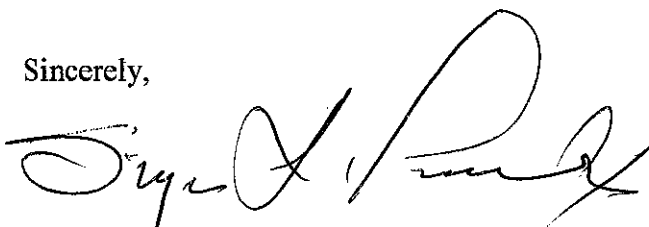

Please be advised that Boscawen Sand & Gravel, located at 267 Queen Street in Boscawen, NH is anticipating the start of crushing operations for the 2021 season on March 16, 2021.

Boscawen Sand & Gravel will utilize floating crusher production days prior to the May 1<sup>st</sup> permit condition as weather and equipment conditions dictate. Boscawen Sand & Gravel will use floating days sparingly between March 16<sup>th</sup> and May 1<sup>st</sup> and track floating days used to stay within the permitted 40 day limit as we did last year.

Crushing operations and related work will be conducted under the conditions outlined in the Town Of Boscawen Earth Excavation Permit # PB01212020-1.

If you have any questions or require more information please feel free to contact me at (603) 796-7064.

Sincerely,
